Annual Report 2008–2009

Our Mission

Blackburn Center actively advocates for **the rights of all people to live free from violence and oppression** in their homes and communities and provides supportive services to survivors of all forms of domestic violence and sexual assault.

Welcome

Again this year, we are providing Blackburn Center's Annual Report via the agency's website. With this method, we are able to invest more of our resources in our services to clients and the community, be mindful of our impact on the environment, and reach more people with important information about Blackburn Center.

If this format doesn't meet your needs, please let us know and we'll send you a hard copy. To make this request, call 724-837-9540, x104.

Funding

CHALLENGE THE POWER. DEMAND CHANGE.

Domestic and sexual violence are rooted in an imbalance of power between men and women. Our society accepts violence against women as normal and inevitable. For Blackburn Center to fulfill its mission to end domestic and sexual violence, we must challenge this imbalance of power that supports the oppression of women.

Support from the community, through contributions and governmental support, is invested in services for victims of domestic and sexual violence, and education programs for the community.
