

I WILL WORK TO END GENDER-BASED VIOLENCE AND PLEDGE TO:

1. Not use violence of any form in my relationships, and speak up if another man is disrespectful or abusive to women or girls.
2. Listen to women and be an ally to women who are working to end all forms of gender-based violence.
3. Educate myself on the factors that lead to gender violence, and use that knowledge to mentor and teach boys about how to be men in ways that don't involve degrading or abusing girls and women.
4. Acknowledge the factors that lead to gender-based violence, including power imbalances, homophobia and objectification of women.
5. Not remain silent.
