**Ext. 114**

*Blackburn Center provides community education and training to professionals and the community on domestic violence, sexual assault and other crimes by identifying, responding to, and preventing violence across the lifespan. Our trainers are experts who work directly in the field with victims.*

## **Trainings for Businesses and Professionals**

Skills-based trainings are available to professionals, businesses and community organizations. Training topics include, but are not limited to:

- **Creating Safe and Thriving Workplaces: A comprehensive approach to harassment prevention**
- **Mandated Reporting of Child Abuse**
- **Responding to Intimate Partner Violence in the Workplace**
- **Response to Trauma for Religious Leaders**
- **Understanding Trauma and How that Impacts Your Work in the Community**

**To schedule a community education program or training, contact:**
