

SIXTH GRADE SAFE SCHOOLS

Using the video, *Safe Schools*, the topics of harassment, bullying and sexual harassment are introduced and discussed. Students are given options for stopping harassment that may be happening to them. The depth of discussion varies according to the maturity level of the students.

TIME REQUIRED: 40-45 minutes, one class period

OBJECTIVES:

- Students will recognize their own role making the school community safer
- Students will learn and practice certain strategies that help with creating a safe school environment

OUTLINE:

1. Introduce and discuss the four safe school strategies
2. Play video, *Safe Schools*, pausing after each clip for discussion
3. Role plays of various responses to bullying

MATERIALS:

Video: *Safe Schools*
Role Plays and Scenarios
